

Alliance of Divine Love
Fall Conference
September 9th, 10th & 11th 2011

Franciscan Guest House and Conference Center
Kennebunkport, Maine
Conference Chairperson: Rev. Peg Gordon 207-355-0010

Kennebunkport is a delightful New England Coastal Town. The concept of this conference came about from a very vivid dream, and I was shown that Divine Love and the energy of Universe, along with the Divine Love and energy of our ADL ministers, was needed for the unfolding planetary shift.

The Franciscan Guest House and Conference Center is a 66 acre Retreat Center and is adjacent to the Franciscan Monastery. There are walking paths to the beach and forest.

Activities and Presenters:

Whale Watching: We will go out to sea and communicate with the whales, seals, and other sea creations. This will be a 4 ½ hour boat trip. When we arrive back on land, we will enjoy a traditional New England Lobster Bake.

Rev. Dr. Sherry Gustafson: Sherry, along with her Nature Spirits, will enlighten us with her new book, *“The Adventures of Crabapple Hollow.”*

Rev. Dr. Nancy Ash: Nancy will be aligning us to Oneness. We will be introduced to ways that we, as a Spiritual Community, can co-create Oneness in our communities.

Rev. Dr. Linda Marie Nelson: Linda Marie will facilitate a Taize Ceremony and commemorate the 10th Anniversary of 9/11.

More detailed information will be announced soon...check the Alliance of Divine Love's website for updates: **www.allianceofdivinelove.org**
